Rules

A match consists of the best of 5 games eg 3-0, 3-1, 3-2
A game is won by the player first scoring 11 points.
If both players score 10 points, then the game is won when one player has a lead of 2 points eg 13-11
The person who wins the toss will serve first in the first game; after 2 points, the receiver becomes the server and so on after each 2 points until the end of the game. If 10-10 is reached, the service is alternate.
For the second game, the initial receiver serves first and in subsequent games, it alternates
A good service starts with the ball resting on the palm of the hand with the ball thrown upwards about 6 inches (16 cms); the server hits the ball from behind the end of the table so it bounces on his side of the table and then on the other side.
A good return is made when the receiver hits the ball over the net on to the other side of the table.
A point finishes when the ball is hit by the player so that it does not bounce on the other side of the table – ie it goes off the table or into the net
A let service is when the server serves the ball and it touches the net and hits the other side; then the service is repeated until good.
A let will be called by the umpire if a ball comes into the playing area from an adjoining table
The bat will have red on one side and black on other.
The umpires decision is final
