

School Sport Celebration Event 2017

On Wednesday 5th July 2017 the annual School Sports Celebration Event for the South Leicestershire area will take place (including schools from across Blaby, Harborough, Oadby & Wigston).

The aim of the event is to celebrate the achievements of young people, school staff, community sports clubs, sports coaches, leaders and volunteers in sport. We would like to promote the successes of individuals and teams, partnerships between school and community sport, leadership by young people, and innovation in getting young people involved in physical activity.

The awards will be as follows:

Primary Sports Team of the Year
Secondary Sports Team of the Year

Primary Sports Performer of the Year
Secondary Sports Performer of the Year

Key Stage 2 Young Sports Leader of the Year
Key Stage 3 Young Sports Leader of the Year
Key Stage 4 Young Sports Leader of the Year
Key Stage 5 Young Sports Leader of the Year

School & Community Partnership Award
Improving Health & Well-Being Award
Innovation in School Sport Award
Sports Coach of the Year
Outstanding Contribution to School Sport Award

To enter your nomination, please visit www.learningsouthleicestershiressp.org.uk. All nominations must be entered by **Friday 9th June 2017**.

A decision making panel made up of a range of local school and sport enthusiasts will meet after nominations have closed, and shortlisted nominees will be contacted prior to the event. We would like to get as many nominations as possible from across our schools so please spread the word!

Nomination Guidance

Please see below information you may find useful when considering who to nominate for each award. Please use this information to help you complete the 'reason for nomination' in the nomination form that follows.

- Primary Sports Team of the Year and Secondary Sports Team of the Year

Nominations for these awards could be from any school sports teams that have been particularly successful this year, or who may have achieved a lot due to hurdles they have had to overcome, or may be a new team that has worked extremely hard to achieve success.

- Primary Sports Performer of the Year and Secondary Sports Performer of the Year

Nominations for these awards may be for any young sports person who has achieved a lot this year in their chosen sport. They may have performed well in events they have taken part in, or may have worked hard to overcome adversity. It doesn't matter what level they have participated at—it is the personal achievement that counts.

- Key Stage 2—5 Young Sports Leaders of the Year

Nominations for these awards may be for young people who have gone the extra mile in helping to deliver sports activities either in the school environment or in the community. They may have been playground leaders, Sporting Ambassadors, helped lead sports clubs and competitive activities, done leadership qualifications, been involved with Step into Sport and helped out in their local community.

- School and Community Partnership Award

This award is for successful joint working between schools and their communities to provide excellent opportunities for young people to participate in sport and physical activity. Nominations may for example be for a school and local sports club who have worked together to provide opportunities, or for a school and inclusive sports group who have provided opportunities for young people with disabilities to take part.

Award nomination guidance continued:

- Innovation in School Sport Award

This award is for really creative work in enabling young people to take part in sport and physical activity. Nominations could include:

Using sport for whole school improvement

Exploring other cultures through sport

Tackling racism through sport

Involving parents in sport and physical activity

Transition projects

SEN work, behaviour management through sport

Gifted and talented work.....and more!

- Improving Health & Well-Being Award

This award celebrates successful work to engage pupils in developing a healthy lifestyle and increasing participation in physical activity i.e. Targeted provision e.g. girls projects; Active Travel project with physical activity element; breakfast clubs using physical activity; engaging less active etc.

- Sports Coach of the Year

Nominations should be for sports coaches who have really made an impact on sport at your school. They may be a member of school staff or a parent, a coach from a local sports club, or a paid coach who has made a difference to opportunities you offer your pupils.

- Outstanding Contribution to School Sport:

This is the 'outstanding achievement' award for individuals or perhaps a team of people who have really gone the extra mile for pupils at your school. They may give up a lot of their time tirelessly to enable young people to access sport and physical activity opportunities. You may wonder how you could manage without them! This is their chance to be recognised for all the hard work they put in!

GOOD LUCK!
