

ACTIVE TRAVEL MONTH

MARCH 2019

DURING ACTIVE TRAVEL MONTH we are encouraging families to actively travel to school. If pupils aren't able to actively travel from home, they can still take part by parking a distance from the school and walking, cycling or scootering the rest of the journey.

DESIGN A STICKER COMPETITION!

We want pupils to think about how they could actively travel to school throughout the seasons. We're asking pupils to design a sticker, the more imaginative the better! Maybe they'd surf to school in the summer, ski during the winter. Would they build a waterproof pedal car to keep dry during the rain? Anything goes! The winner/s will have their design printed & turned into stickers for Active Travel month and we'll also send them a School Games goodie bag!

CLOSING DATE FOR ENTRIES IS FRIDAY 15TH FEBRUARY!

TOP TIPS FOR A WINNING DESIGN:

Use big, bold and colourful designs.

Less detail, stickers are 3cm in width. Simple, clear designs work best. If pupils can, ask them to add a short paragraph to explain their design.

Email lsssp.office@gmail.com once designs are complete to arrange collection.
