FEB  
2024

We're asking children to use their voice and speak up about what matters to them! Whether it's something they're passionate about in school, their local community or in the wider world, we want young people to know **THEIR VOICE MATTERS!** You might want to photograph children holding up their signs, create a class display, a poster or film a video to share on social media! Don't forget to tag us @slssp #MyVoiceMatters
