

Create Challenge

Can you design a trainer inspired by the Move It March challenge?

**Active
Easter
challenge**

28th March to 12th April

Whether you enjoyed trying new activities, getting out in the fresh air, or taking part in your favourite physical activity, we'd love your design to show what you enjoyed most about Move it March! Use bright colours, fun patterns, cool features, or even add a quote. Let your imagination and creativity shine!

When you've finished your design, take a photo or scan this page and send it to LHarrison@southwigston.lwl.org.uk to be entered into a prize draw. We can't wait to see your amazing designs!
